## Model UNFCCC - Climate Change Strategy Role Play

### What?

*“It is, simply, the greatest collective challenge we face as a human family”*

UN Secretary General Ban Ki-Moon about Climate Change

- Understand Climate Change and the challenges it poses for humankind
- Gain insight into the process of international climate negotiation
- Understand the connections between Climate Change, politics, society and economy
- Enhance your negotiation skills

---

## Model UNFCCC - Climate Change Strategy Role Play

### What ?

**Innovative Didactic Concept:** Learning by Experiencing

**Lectures** – Learn about Climate Change through experts from science, politics and business

**Teamwork** – Team up and adopt the role of a country delegation. Research on your country's background and develop your own negotiation strategy

**Simulation Roleplay** – Experience the complexity of international climate negotiations through a 2 day close-to-reality roleplay together with students from all over Europe.

---

## Model UNFCCC - Climate Change Strategy Role Play

---

## Model UNFCCC - Climate Change Strategy Role Play

### When and Where?

#### Lectures

March 31, April 1, April 2 and April 7 2014      each 10 - 18 h

Conference Room 1, Energy Institute (EWI), Alte Wagenfabrik, Vogelsanger Str. 321,  
50827 Cologne

#### Roleplay and Simulation

May 14 – 16 2014 : Roleplay Simulation of UN Climate Negotiations **in Budapest\***

\* Expenses for travel and accomodation have to be cover by the students. However, if students want to organize sponsorship to cover these expenses they will get full support from the chair of energy economics.

---

## Model UNFCCC - Climate Change Strategy Role Play

Because the success of the simulation depends heavily on the motivation of the participants and a small group size, the course is restricted to only 15 participants.

**Please send your application** including a

- transcript of records,
- CV and
- optional, (but a plus): a short letter of motivation (max. 100 words)

to:

benjamin.tischler@uni-koeln.de

**Application deadline: 28<sup>th</sup> of February 2014**
